**O.P. MORTON SENIOR HIGH SCHOOL**  
**6915 GRAND AVENUE, HAMMOND, IN 46323**

### School Song:

We're loyal to you, Morton High.  
You're best in the land, Morton High.  
We'll back you to stand  
All the teams in the land,  
And we'll fight for the M.H.S., Morton High

We'll fight for the Top Hat and Tails,  
For we know that you'll never fail.  
We'll fight for the Red and Grey  
Until we have won today;  
We'll fight for the M.H.S., Morton High.

Seniors Debbie Opinker, Vickey Brown, Theresa Bell, and Jodi Frigo take advantage of the warm weather during lunch.

Morton students relax against the railing as they await the remaining lunch to end.

## GOVERNORS

At 8:00 a.m. Monday through Friday, about 1200 students are drawn to a special place . . . Morton Senior High School, the home of the Governors.

The Governor, a ruler of people, has the authority and power over his state, just as Morton a ruler of schools, has the strength to overcome.

The symbols Scarlet and Gray, Top Hat and Tails, Cane and Gloves, and school song, "We are Loyal to You Morton High," are symbolic of the Governor and all Morton students.

The Governor brings a closer look at Morton and the administration, faculty, and students; particular those who participate in school activities, clubs, and sports all make up the Morton Governors.

It is only natural that the Top Hat Staff chose 'The Governor' as the theme for the 1983 Yearbook.

The Morton students who work hard to get the job done-academically and athletically do it with the "CLASS" of a Governor.

Despite the hard work, practice and time spent here, Morton students still have time for enjoyment whether it is at a game, pep assembly, or at lunch, one will always find the Morton Governors enjoying high school life.

## FESTIVITIES OF HOMECOMING

Chris Dujan, escorted by Mike Sobczak, was named the 1982 Homecoming Queen at the halftime on Morton/Chicago Washington football game on September 24.

The Homecoming court consisted of Shelly Fritz, and Dan Vranic, Patty Sweet and Ron Catania, Maribeth Gruener and Ray Hladek, Jane Ostioch and Dirk Peterson, and Michele Moskalick and Gary Graban.

Homecoming week began on September 20 as each day was assigned a theme. Monday was Clash day, and Tuesday was Sports day. Inside out day was on Wednesday, and the punks roamed the halls on Punk day. Each class received points for the spirit stick if they dressed for that day.

The cheerleaders sold links for a nickel to make a chain, and each class received points based on the longest chain. The sophomore class won the chain link competition and the senior class won the competition for the best decorated hallway.

At the assembly on Friday, the pom pon girls and the cheerleaders taught the senior football players a routine. The crowd then voted for their individual choice. Mark Wilson, quarterback on the team, walked away with first place honors. The male cheerleaders, Bob Balzo, John Barbara, Scott Hankins, Paul Nickla, Chris Kansfield, helped the senior class cheer.

The traditional homecoming parade was after school on Friday. The seniors won the float competition with a pac man saying, "Wonks Wonka Win," and the sophomore class float placed second with a crush bottle saying, "Crush The Minutemen." The junior float with a giant clock saying, "Set Back The Minutemen," came in third.

The cheering at the game was the final competition for the spirit stick. The seniors won the spirit stick and the juniors placed second.

Members of the Senior class show their spirit during homecoming.

The Junior class placed second during the homecoming competition.

Juniors Chris Vermajan and Chris Zawadzki await the beginning of the parade.

Senior Maribeth Gruener and Kelly Hladck take positions as Carrie Reid hits the ball.

## SPORTS; MIND & BODY

*The athletic program at Morton Senior High School offers interscholastic sports for male and female athletes in 14 different areas of competition.*

*Morton includes a variety of athletics from the hard contact to the more agile sports, and from the team to the individual sports.*

*Men and women's sports consist of a hard training program that includes weight training and conditioning.*

*Along with the physical training, mental preparation, sportsmanship, and proper attitude is emphasized.*

*The mind is also an important aspect in athletics as intelligence is as much a part of the game as physical strength.*

*The mind is developed through academics and learning, as the body is built by proper diet and training. An athlete's mind and body must be in complete form to compete among the best.*

*Although athletics involve a tremendous amount of hard work, practice, and time after school, sports give the athletes a sense of accomplishment and self satisfaction.*

*Senior Shirley Starkey gets ready to return a spike.*

*Junior Dan Prljevic returns a winning point at a match.*

*Varsity Quarterback Mark Wilson calls out a play to his team.*

Senior Vince Soto and junior Patty Sweet enjoy the evening.

Alumni Nick Boyan and junior Nancy Sarver share a special moment.

Assistant principal, Mr. John Molnar and wife patiently await serving time.

Senior Chuck Wayood and his prom date take time to admire her flowers.

## SOMEWHERE IN TIME

"Somewhere in Time" was the theme for the Junior Senior Prom, which was at Wicker Park Social Center in Highland, on April 23, 1982. The tickets were sold for \$40 a couple which was used to pay for the dinner the hall, and the bands.

Everybody seemed to enjoy themselves dancing to the pre-prom, Jubal, and the Post prom, Joker. Victoria Studios furnished picture taking for the promgoers. Champaign glasses and the menu books were the party favors. The dance started at 7:00 P.M. and ended at 2:00 A.M. Most couples went out the day after to the beach, zoo, or went to Chicago.

## GOV CLASS OF '82 RECEIVE DIPLOMAS

*The commencement exercises for the class of 82 took place in the large auditorium for the first time in Morton's history. The setting provided a more formal atmosphere for the event than when the event was conducted in the gym over the past several years. The valedictorian, Sharon Jadrnak, and the solutorian, Laura Buhring, both gave speeches about the years at Morton and the future.*

*The 34 members of the National Honor Society wore gold tassels on their caps, the rest of the graduates wore the red and gray tassels with red and white gowns. All the girls received a long stemmed white rose.*

*Helping the Class of 82 through their four years at Morton were the class sponsors Mr. Dan Myrick, and Mrs. Shirely Rotenberg.*

*After the formal ceremony, the students gathered in the cafeteria where they actually received their diploma from their homeroom teacher.*

*The graduating Class of 1982 was the first class to graduate in the auditorium.*

*National Honor Society member, senior Lori Davidson awaits commencement.*

*All the girls of the graduating class received a long stemmed white rose.*

## FACTS AND FICTION

Trivia is defined in the Funk and Wagnalls dictionary as insignificant or unimportant matters; trifles; of little value or importance.

No two people will agree on what is trivia. Many people feel it is limited to a certain part of news facts, others surely would feel it is facts on movies and movie stars. Sports fans quote statistics as trivia, while Civil war buffs cite commanders as trivia.

Trivia is not unimportant or insignificant to us. Important matters to us of today such as our hairstyles, the clothes we wear, our shoes will be trivia in the future.

Anything that happens in the world, local, or at home is considered trivia.

Trivia is everywhere. If one were to put all the trivial facts into a book the sources would be endless.

# BUHRING & SALACH WIN BIG

1982 was an outstanding year for the Morton debate with a long and impressive list of outstanding victories. One of the more prominent of these highlights was the performance of Junior Debbie Buhring and Senior Tim Salach at Northeastern State University in Tahlequah, Oklahoma.

Buhring and Salach were one of seven teams invited to compete in the Second Annual Redman Round Robi Debate Tournament in early December, 1982. The Round Robin preceded the 49th Annual Redman Forensic Tournament, a two day tournament which began the day after the Round Robin.

In the Round Robin each team debated each of the others once. Buhring and Salach emerged victorious, finishing with the best overall record, as well as the highest combined speaker point total of all teams competing. Additionally, Salach was the first place speaker in the tournament and Coach Doug Fix was honored for coaching the first place team.

"It took a lot of effort on the part of many people to allow us to compete in Oklahoma. I was very concerned about the possibility of our letting them down. Because of this, I was elated with our success in the Round Robin," commented Mr. Fix.

The Redman Forensics tournament followed a different format. The debate competition went four rounds to determine four teams which would be paired in semi-final rounds. The semi-final winners would then advance to a final round. Buhring and Salach were undefeated up until the final round when they lost on a 2-1 decision to place second. "The second place finish was really an anti-climax after our success in the Round Robin, especially since we had defeated the team when we faced

them in the Round Robin. Still, the second place is very respectable," commented Buhring.

In addition to the debate element of the Redman forensic tournament, a speech meet was also held in which Salach placed second in the boys' extemporaneous speaking competition.

"All in all, the whole experience in Oklahoma was one of my more

memorable ones. The competition was top rate, and I had a really good time as well," added Salach.

"For my first year of varsity debate I really enjoyed the opportunity," stated Debbie Buhring.

"I've had many memorable experiences as a coach, and the trip to Oklahoma will always be right up there with all of them," concluded Mr. Fix.

## ICE CASTLES

*The Inaugural dance was on November 20, 1982, and the theme was "Ice Castles." As the couples danced to the band, Devotion, punch and snacks were served during the evening.*

*The Inaugural is a turn-about dance where the girl asks the guy. The girl pays for the tickets, which were \$10, and for the pictures. The guy pays for the dinner at a nearby restaurant.*

*Many students who did not attend the dance helped make the dance a success by helping with decorations, serving punch and snacks, or helped with the coat check.*

*Seniors Michele Moskalick and Rob Gerka played the leading roll in Oklahoma.*

*Senior Gary Graban, who played Wil, performed a solo as the rest of the cast gathered around him.*

*The cast of Oklahoma have a little fun at the square dance*

## OKLAHOMA

Morton's annual play for the 1982-83 school year was sponsored by the drama department.

After casting the leading rolls to Rob Gerka, who played Curley, and Michele Moskalick, who played the part of Laurey in October, the cast began rehearsals in November, for the performances which took place on January 21, 22, 27, and 28.

While rehearsals were taking place the Stage Crew began to make props and background drops, and the costumes began to materialize. The costumes were all handmade by member of the cast Moskalick, and choir director Mr. Glenn Williams.

Morton English teacher and head of the theater department, Mr. Donn Edwards, is responsible for Morton's annual plays.

Seniors Denis Heflin, who played Jud, and Rob Gerka, who played Curley, sang the solo "Poor Jud is Dead."

Senior Andy Ryan, performed a solo as the cast of Oklahoma take their part in the scene.

# AWARDS

This year's winner of the DAR award (Daughters of the American Revolution) was Tim Salach. The award is based on participation in school and the community. Salach was voted best citizen by teachers and fellow students.

The National Merit Scholarship winners were Robert Gerka and Jacki Sufak. They were high scorers and received awards. The National Merit Semifinalists were Scott Hankins and Tim Salach.

Boys and Girls State was at Indiana University in Terre Haute, Indiana. Four boys and three girls were chose to spend an entire week learning about the American form of Government.

Senior Bob Balczo was nominated by Principle Mr. Steve Stavros for the Youth Senate Program in Washington D.C. January through February.

## STUDENTS ATTEND CAMPS, INSTITUTES

by Sue Ladendorf  
Mortonite Page 1 Editor

Last summer a number of Morton students attended various camps and institutes in not only Indiana but throughout the United States.

Some varsity and junior varsity volleyball players went to the Purdue Calumet Sports Camp for five days to sharpen their volleyball skills.

Besides going to Purdue's Camp, senior Kelley Hladek attended the Sports Camp International Elite Camp for five days.

Many of the football players also attended Purdue Calumet's Sports Camp. The second camp, the All-Positions Camp, focused on running plays, formations, and line plays.

While football and volleyball camps were taking place, so were basketball camps. Senior Austin Barret attended a camp at Gary Roosevelt High School.

Michigan State University in East Lansing hosted a basketball

camp that sophomore Mike Revere attended.

The varsity cheerleaders traveled to Indiana University in Bloomington to attend the National Cheerleaders Association Cheer Camp for five days.

The girls returned with the knowledge of different cheering techniques new cheers, movements, mounts, and acrobats. They also received competition pointers.

Several Pom pon girls attended The National Cheerleaders Association Pom Pon Camp at Ball State University in Muncie, and the Showstoppers Camp at Aurora College in Aurora, Illinois.

Some band members attended Band Camp and Drum Majors Camp. Some band members went to Smith-Walbridge in Syracuse, Indiana. Others attended Illinois State University in Bloomington for Drum Majors Camp.

Senior Tim Salach traveled to Baylor University Debate Institute in Waco, Texas, Salach who attended the two-week institute the

previous summer, received a full scholarship to the 1982 workshop.

Morton students were not the only people studying last summer. Mr. Doug Fix, Morton's Debate Team Coach and English teacher, attended the School of Speech Summer Fellow Program at Northwestern University in Evanston, Illinois.

Indiana State University in Terre Haute, was the site of last summer's Boys/Girls State Program. The students learned about the American form of government.

Several members of the Top Hat staffers attended the Josten's American Yearbook Company Seminar at St. Mary's College in South Bend. They studied layout designs and copy. They also completed a cover and the opening selection of the yearbook.

A selected few Mortonite staffers attended the High School Journalism Institute at Indiana University in Bloomington. The student journalists studied journalism for two-weeks on campus.

# NATIONAL NEWS

---

The year 1982 had many good points, it also had some bad ones.

In October, seven people in Chicago died after taking Extra-Strength Tylenol capsules that were laced with cyanide. The ordeal was the beginning of copy cat killings across the country. As of April 1983 the case was still unsolved.

The year 1982 brought about the birth of a new Prince William, born to Lady Diana and Prince Charles on June 21.

The year also had some misfortune. The death of Actor Henry Fonda, who won several awards, including an Oscar for his portrayal in "On Golden Pond," and Actress Ingrid Bergman, who won three Oscars for her talent and work, had a fatal bout with cancer.

Princess Grace of Monaco died in a Monaco Hospital several hours after a tragic automobile accident. Princess Grace was known

to most Americans as Grace Kelly, movie star.

The struggling United States economy and President Reagan's motto, "Stay the Course," was also part of 1982's misfortune.

The year brought one major advancement in the medical field when Barney Clark became the first person to receive an artificial heart. Clark lived for 112 days after the surgery.

Clark spent most of his time in intensive care after the surgery which caused many complications.

In sports the year for football belonged to the San Francisco 49er's and the excellent pass plays of quarterback Joe Montana.

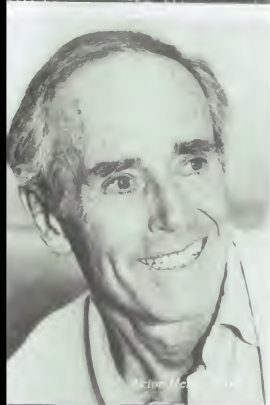

The 49er's won Superbowl XVI over the Cincinnati Bengals 35-34.

The best motion picture of the year was E.T., a box office smash that grossed the largest amount of money in movie history.

## SECTIONAL CHAMPS

Winning sectionals was the highlight of the 1982-83 season for the Lady Governors. Defeating Clark in first round play advanced the team to the championship game where they avenged an earlier loss to cross-town rival Gavit to gain the sectional crown. The Lady Gov's fell victim to Crown Point in first round regional play.

The team finished up 9-9 overall, with a conference record of 4-3.

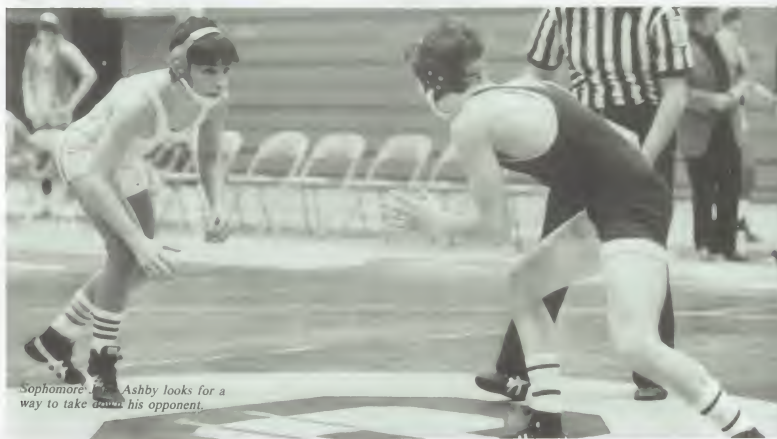

The .500 Mark was a little disappointing considering the team lost 4 games in a row by one point.

Keeping an eye on the defense junior Mitar Vranic picks up the loose ball.

## DISAPPOINTMENT

The 1982 Morton soccer team had an impressive record of 8-3 at the beginning of the year until bad luck hit the team. The Governors learned of an ineligible player and had to forfeit all eight of the victories. The news was disappointing, but the Governors went on to win three of their last four games.

The Governors overall record was 4-11 due to the forfeits. They were 5-1 in conference, but they ended up forfeiting all conference games. Senior John Gordish, team captain, and Bob Markovich were named Co-Most Valuable Players.

## UPS AND DOWNS

The 1982 girls track season was a season of ups and downs. There were several individuals who did well in each meet, but the team as a whole was inconsistent.

The Governors had a overall record of 7-8 which included 5 seconds, one third, and one fourth place finishes. The lady Governors had a good enough record to give them a fourth place in conference action.

Award winners for the Lady Governors were seniors Darla Price, Best Mental Attitude, Nancy Magurany, Most Valuable, and junior Liz Bonilla, Most Improved.

Row 1: Jennifer Stephens, Darla Price, Melissa Tracey, Nancy

## 11-7 OVERALL

*The 1982-1983 girls Junior Varsity Basketball team put together a very impressive season. The team had an overall record of 11-7 including a 2 Lake Shore Conference record.*

*Highlighting the Junior Varsity season was an upset win over a highly rated Crown Point team, and at one stretch in the season the Lady Gov's won 8 out of 9 games. Sophomores Nancy Minch and Joy Vandiver were moved up to the varsity for sectionals and regionals.*

*First row: Paula Uylaki, Sandi Machuca, Dawn Campbell, Joy Vandiver, Nancy Minch, Doreen Bednar, Judy Ramsey. Second row:*

*Ruth Spudic, Patty Farmer, April Zabinski, Coach Pam Dorsey, Kris Maloney, Sue Machuca, Regina Morey.*

# Freshman Basketball

## TOUGH SEASON

*The 1982-83 Freshmen Basketball team just couldn't seem to find the right combination to beat too many of their opponents.*

*The "A" team compiled an overall record of 4-15 and a Conference record of 1-6. Freshmen Jim Balta, Tom Balczo, and Bill Edinger led the "A" team in scoring averaging 9.6, 7.2, and 7.1 respectively.*

*The "B" team compiled an overall record of 4-8.*

## BOOK PUBLISHED

The Top Hat staff, which publishes the yearly yearbook, is made up of an editor, opening editors, an organization editor, senior section editors, underclass editors, advertising editors, sports editors, index editors, and edge editors.

The process of creating a yearbook begins with the selection of a theme, or idea that deals with school life. The theme must be carried out throughout the whole book. The cover design is chosen and the layout designs are drawn. Each editor is responsible for the page design, copy, headlines, captions, the cropping of pictures, art work, and the correcting of proofs. In the past five years, the staff has won two first class awards, three first places, and a third place from the National Scholastic, Columbia Scholastic, and the American Scholastic press associations.

## ASSOCIATION/NHS

*Student Association is a group of students who help organize activities such as Homecoming, Inaugural, student elections, and dances throughout the school year. During the summer the association had car washes to raise money. The members also took time to help at Freshmen Orientation, where they introduced Morton to incoming students with a tour of the school.*

*NHS is a select group of students who are recognized by their participation in activities and a good character, along with an outstanding grade point average. In March, each senior with a 3.2 grade average, and each junior with a 3.5 grade point average, receive an NHS application. These students list all community and school activities in which they participated during high school. The applications are reviewed by the faculty who chose the NHS members.*

*Student Association officers: Scott Hopkins, Scott Johnson, Karen Stevens, and Susan*

*In building your house of dreams, the most logical place to start is with the foundation. Then comes the walls, flooring, interior design, and finally the landscaping for the final touch.*

*In gaining an education, one must start at the beginning, the foundation.*

*First, the student must take the required classes, which the majority are taken in the first two years of high school. Then one goes on to take the courses that that person thinks will be the best for the future, and a wide variety of the general study classes are offered at Morton for just that purpose.*

*As in the example of building the dream house, you become much wiser about plumbing, engineering, and carpentry. Whereas, this holds true for the student — in the four years of high school — one can gain knowledge in many areas of formal education.*

# ACADEMICS

# ENGLISH

*Apart from the academic classes required by the State of Indiana, Morton offers special academic classes as well as a variety of electives.*

*English is taken to refresh and improve one's ability and skills. In order to graduate students need to have eight credits in English. This year English V and English VI were added to the regular required classes.*

*Students learn correct grammar and spelling, receive a background in literature, and expand vocabularies in order to improve and master the English language. Once a student has achieved the skills needed it will be easier to advance in the world.*

*College bound students or students who want to improve in English take more complex classes such as advanced composition or reading skills.*

*Senior Maureen Bac and Greg Scott discuss an English problem.*

*Sophomore Andy Haladek gives a demonstration speech for Mrs. Burr's English Class.*

*Junior Cathy Campbell and sophomore Ed Hamey gather information for a debate.*

*Herr Dieter Meister teaches his class the correct form of a verb conjugation.*

## Foreign Language

*Besides majoring in English, some students may feel a need to learn a foreign language as well.*

*The Foreign Language Department at Morton offers a choice between Spanish, French, and German.*

*Students begin by learning phrases and verbs. The more advanced students go on to learn how to speak the language fluently.*

*Along with learning the languages, one also is taught of the custom.*

*Foreign Language is becoming a big part of the world and this country. As more people migrate to the United States, there is a need for more interpreters. Other jobs may require a foreign language, such as Foreign News Correspondents or foreign embassy jobs.*

*Sophomore Rudy Arredondo acts out a Frenchman in one of Mr. Bolinger's french plays.*

# MATH

Classes in the math department at Morton varies from basic general math to advanced math classes.

Students are required to take at least two years of math to meet the state graduation requirements. Students who want to advance or major in math may take electives after the required years.

Students on the general studies program take general math for the two years required. Students learn the basics of math.

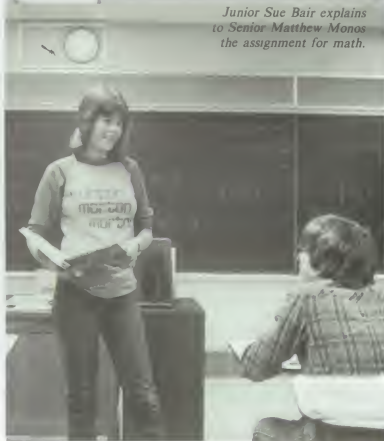

College preparatory students have algebra and geometry as requirements. Algebra and geometry gives students an indepth study of math.

Another program in math is business classes for students who plan to lead a business career.

Junior Kelly O'Brien programs an equation on the computer.

Junior Sue Bair explains to Senior Matthew Monos the assignment for math.

Senior Dan Vanic shows his algebra class how to solve the equation on the board.

## BUSINESS

*Morton's business department prepares students for general office, secretarial jobs or accounting careers.*

*Timing how many words one can do in a minute and taking dictation in shorthand are a few of the skills taught in the business classes. These classes are typing, shorthand, notehand, and clerical practice. Each class is based on secretarial employment.*

*Math is also included in this area. Accounting teaches students how to keep books and do other mathematical jobs. General business is another class which teaches one how to check accounting and the different types of insurance.*

*Students who go into office jobs it is to their benefit to take clerical practice, which teaches the student how to operate office machinery.*

*Junior Linda Cox works on her timing and consistency in typing.*

*Junior Robin Szczdlak figures out the answers to problems in accounting.*

*Junior Samantha Henson checks her answers for reassurance.*

# SCIENCE

*Science is the explanation why we are the way we are, and the environment is the way it is.*

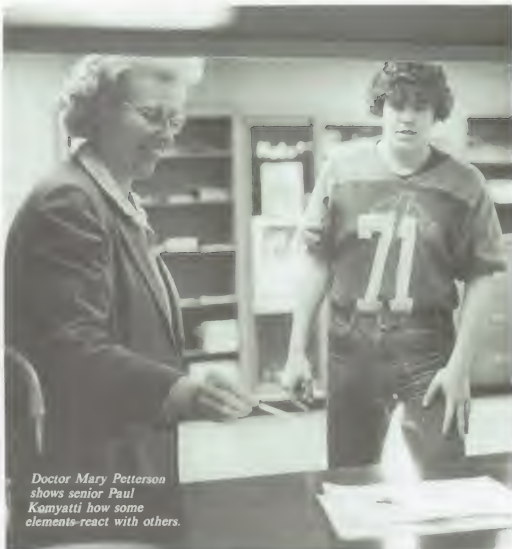

*In Science classes, students learn of life and the theories of life.*

*The human body and the structure of life are studied in the required classes of biology and health and safety. Physical Science is offered as a requirement for students who want to learn "matter", instead of biology.*

*If students want to further their knowledge of life and its secrets, classes such as zoology and animal behavior are offered as electives. In each class the student observes the behavior of animals by experiments which pertain to pulse, respiration, and reflexes of animals.*

*The study of plants, flowers, and trees are taught in botany.*

*College bound students may take additional classes Chemistry and Physics.*

*Doctor Mary Petterson shows senior Paul Kamyatti how some elements react with others.*

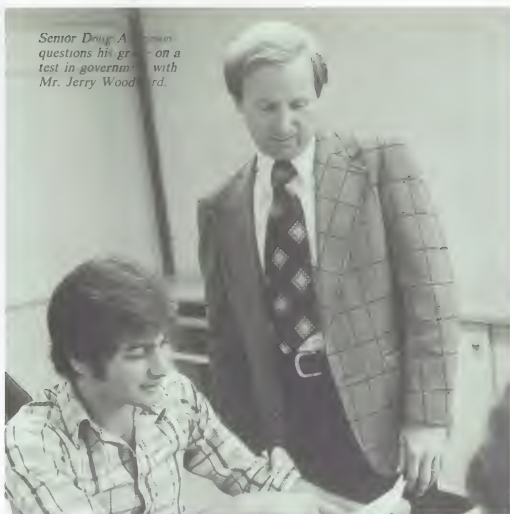

*Senior Shelly Fritz does an experiment with the laws of gravity.*

*Senior Sue ... directs ... for ... ment ... zoology*

Senior Doug Anderson questions his grade on a test in government with Mr. Jerry Woodward.

## SOCIAL STUDIES

Between the months of August and October, 1451, Christopher Columbus made his voyage to America. Such facts can only come from Social Studies where students receive a rounded education of history and take a look at what is happening today in government and economics.

Required classes in Social Studies are U.S. History and government. Along with requirements, electives such as world history, geography, current problems, psychology, and economics are offered to expand ones knowledge.

Social Studies not only touches in the areas of situation of the past and present, but it also gives students a look at the behavior patterns of people.

Students listen attentively to Mr. Hruskovic's lectures.

Scott and Heather share notes from the day before with senior Scott Wheeler.

# HOME ECONOMICS

*The Home Economic classes are taken to prepare a student for homemaking.*

*Some students may not know how to cook and clean, or make clothes. With the classes offered for the home economics, students are also taught how to deal with the domestic problems in the home.*

*These classes are not only for girls to learn, but they are also beneficial to boys who may grow up to be bachelors or even married men with a working wife.*

*These classes are not required, but to some the courses are beneficial.*

*Sophomore Lydia Martinez examines the material for loose threads.*

*Senior John Quillin measures a cup of flour for a recipe in cooking.*

*Sophomore Chris Reid and Freshman Stacey Eickleberry measure the ingredients before starting.*

## INDUSTRIAL ARTS

*Industrial Arts teaches one the skills needed to become mechanically inclined.*

*In the shop classes students learn how to put together a motor, make furnishings, and work with electrical equipment.*

*Other classes teach a student how to construct and make drafts of houses and buildings.*

*Students that take industrial art may continue on to a school of mechanical technology. This prepares a student for such jobs as auto mechanics, draftsman, and electrical engineering.*

*Mr. Mayerik demonstrates to his class how to saw a piece of wood to the shape they need.*

*Bob Balzo and John Michellen work on a car engine.*

## FINE ARTS

*Fine Arts, Morton's music department, offers students a chance to express their talents and for some to develop talents.*

*The fine arts department offers classes such as band, girls choir, concert choir, ensemble, and music theory. The classes teach students about music and proper breathing when singing, and to work to the best of their ability.*

*The band class performs at the football games, in two or three parades during the school year.*

*Mortons choir groups have demonstrated their talents by appearing in public concerts and singing on WJOB during the holidays.*

*Junior Luanne Stanley and  
Sophomore Mary Kay  
Johnson practice their  
clarinets for the  
performance at the game.*

*Senior Michelle Moskalich  
and junior Michelle  
Muffett practice scales in  
choir.*

*"Practice makes perfect"  
as Junior Tracy Hall  
discovers.*

## PHYSICAL EDUCATION

*Sweaty gym suits, and ripped tennis shoes are just a few of the sights after a week of gym classes.*

*In physical education, students are taught the skills and coordination used in sports such as tennis, golf, football, softball and swimming.*

*All students are required to take one year of gym in order to meet the graduation requirements.*

*At the end of the year a girl and a boy are chosen as the most physically fit. In order to be chosen one must participate in a fitness contest that includes sit-ups, chin-ups, shuttle run, and a 50 yard dash, to the best of their ability.*

*For students wishing to continue in physical education, the course Advanced P.E. is offered as an elective. This class is designed for the more athletically inclined student.*

Senior Chris Spaul,  
wearing his socks to keep  
his feet warm during basketball.

Senior Scott Winters  
works out with the weights  
to build up his muscles.

*Three administrative members, 66 faculty members, and 16 additional staff members make up the leadership in one capacity or another at Morton High School.*

*The bulk of the Morton High School staff, the faculty, work together not only to educate the 1,200 member, student body, but also provide continuity in extra-curricular activities.*

*A number of teachers work for the so called "extra-duty." The activities include from those who sponsor classes, clubs, organizations, and those who work at the athletic events. Also, the 13 member coaching staff who head the 14 different athletic teams.*

*The additional staff members specialize in the technical areas and the administrators work to unify the entire school.*

*As it has been said, "If you can read this, thank a teacher."*

# FACULTY

## NEW YEAR BRINGS MORE CHANGES

The 1982-83 school year brought about many changes in this year's staff.

Additions to staff include Mrs. Carol Loehrke, Mr. Glen Williams, Mr. William Speelman, Mrs. Ruby Brown, Mrs. Lucille Labas, and Mrs. Mildred Reese.

Mrs. Carol Loehrke, former choir director, came back as a band director. Loehrke replaced Mrs. Glenda Kolar who took a job supervising all the elementary school bands in Hammond.

Mr. Glen Williams, the present choir director, replaced Mr. James Morrison.

Mr. William Speelman, the Intercooperative Education (ICE) representative, replaced Mrs. Patricia Mikuta, a typing teacher, who dropped ICE but is still teaching at Morton. Speelman was formerly a teacher at Tech High School.

Mrs. Ruby Brown is presently the Spanish teacher after Miss Sara Katona left Morton to take a job in Miami, Florida.

Mrs. Mildred Reese replaced Mrs. Fran Mihalic in the nurses office. Mihalic took a job at Lafayette Elementary School in Hammond.

Mrs. Lucille Labas, the present attendance person, replaced Mrs. Sue Vinyard. Vinyard is pres-

ently attendance person at Scott Middle School.

Miss Mary Lacy, who was formerly a business teacher, is a permanent substitute at Morton. Lacy is waiting for a new teaching assignment.

Teachers who were transferred to other schools include Mrs. Marilyn Bercik, former counselor, Miss Donna Goldman, English teacher, Mr. Jeffery Hayden, science teacher, Mrs. Barbara Lewellen, English teacher, and Dr. Charles Igboegwu, industrial arts.

Mrs. Marilyn Bercik was transferred to Eggers Middle School where she is presently a counselor.

Mrs. Donna Goldman and Mr. Jeffery Hayden were transferred to Hammond High School. Goldman is teaching English and Hayden is a Biology teacher.

Mrs. Barbara Lewellen and Dr. Charles Igboegwu are presently teaching at Eggers Middle School. Lewellen is teaching English and Igboegwu is now a shop teacher.

Miss Aletta Hicks received an award as Coach of the Year last fall. Miss Hicks who teaches physical education, is the varsity volleyball coach, and is also Morton's Athletic Director.

*Filling out college applications, talking with armed force recruiters, or just counting the days until one can sleep until noon are some of the experiences a senior faces as the high school years come to an end.*

*As a child most said, "When I grow up, I want to be a" ... (anything from an astronaut to a farmer) But, by age ten each student probably has changed occupations at least ten times. Now as a senior, it's time to choose from one of those numerous ideas or decide on a new one.*

*Even though it may be difficult to realize, it's true. The end of the high school years has come.*

*As in a fireworks display, the end is called the grand finale. This is where all the loudest and best fireworks are displayed. This applies to the senior as, the senior is the best ... mandatory education's grand finale.*

# SENIOR

# CLASS MAKES BEST OF '82-'83

Since this was the last year of high school for the Class of '83, several joined in on the many activities that occurred during this past school year.

Homecoming was a prime time for seniors. They brought their efforts forward in constructing the winning float and defeating the underclassmen for the spirit stick.

The year will have a special place in the mind of Chris Dujan who was voted the 1982 Homecoming Queen during half time of the Morton/Chicago Washington Football game on September 27.

Some seniors used their last year of high school to try for different scholarships, nominations or awards. Among the various awards given out during the 1982-83 school year was the National Merit Scholarship Award. This award is given for perfor-

mance in the preliminary Scholastic Aptitude Test. Jackie Sufak and Rob Gerka won Semi-Finalist Nominations and Scott Hankins and Tim Salach were presented with Letters of Commendation.

The senior class and faculty chose Tim Salach as the recipient of the 1982 Daughter's of American Revolution award. The DAR award is given yearly to the senior who shows good leadership, dependability, service, and patriotism.

Bob Balczo received a nomination to participate in the annual Senate program in Washington D.C. To be eligible to participate in the Senate program, one must be a citizen of the United States, a permanent resident of the state in which he/she is nominated, and must be serving in an elected capacity such as class officer.

Class Officers — First Row: Heidi Mandichak. Second Row: Mrs. Damiano, Susan Kielbasa, Mr. Hayden. Top: Bob Balczo

Bob Balczo made extra money by working at Shakey's Pizza in Highland after school.

*When one attends a concert, they see so many different faces. One begins to think, "Do I look like that?"; "Am I that thin?"; or "Wow, he's got good looks."*

*The same general questions must run through the freshmen's mind as they are faced with 1,000 new faces on the first days of high school.*

*After completion of the sophomore year, one has made it halfway. Now all of the faces of teachers and students, and classes are familiar to the student.*

*But then as a junior, all of the faces have become good friends and associates. Still, the faces have changed. Hairstyles are different, braces have come off, and students are taller.*

*The underclassmen anxiously await the completion of the three years so that they will no longer be the "underclass".*

# UNDERCLASS

# CLASS OF '84

The juniors had a busy year in 1982-83 in preparing for the Junior/Senior Prom on April 29th at Wicker Park Club House, which the junior class sponsors each year. The theme, "Just Between You and Me", was voted on by the class.

Junior year is thought of as a working year because of the financial responsibilities of the prom. The students raised money by selling candy and sponsored a dance.

The class of '84 discovered that the junior year is also a working year academically. Juniors kept busy throughout the year working on U.S. History and American Literature, which are required for graduation. Classes in the Science, Business, Math, English, Industrial Arts, Music, and Social Studies departments were taken as electives. Students also took the Scholastic Aptitude Test in preparation for the college they plan to attend in the fall, after completing their senior year.

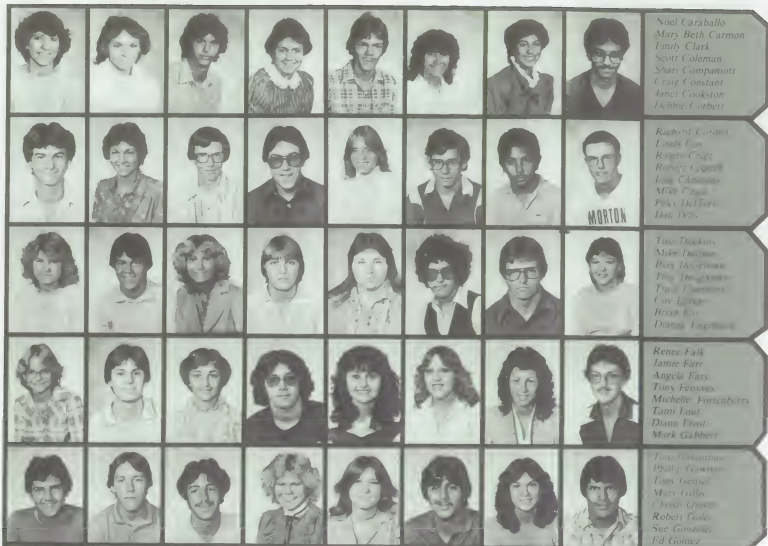

One of the highlights in 1982-83 for the class of '84 was Homecoming, in which the juniors placed second in float competition.

A few privileges also came along with the responsibilities of junior year. The class, who was second only to seniors, finally became "upper-classmen" for the first time since coming to Morton. Now the Class of '84 takes on the responsibility of "ruling the school."

## CLASS OF '85

The Sophomore class found out that fitting in at high school wasn't as big a deal as they once thought at the start of their freshman year as it did not take long to blend in with the rest of the school and get into the routine of Morton Senior High.

The class of '85 had a good start by selling M&M's to raise money for the 1984 Junior/Senior Prom and the Wicker Park Club House has been reserved for the event.

One of the privileges of being a sophomore was being eligible to order a class ring. Students picked out the ring of their choice from the display at school or a local jeweler.

Sophomores showed their school spirit by winning the chain link competition sponsored by the cheerleaders at Homecoming. Classes competed by donating a nickel for every link to make their chain the longest.

The class of '85 met their academic requirements for the year by taking Biology, English 3 & 4, and a Math class — General Math, Algebra, or Geometry.

# CLASS OF '86

It seems as though it was only yesterday the freshmen were just beginning elementary school and becoming a freshman seemed so far away. Now, a whole new lifestyle is underway for the Class of 1986.

Middle school and high school have many differences, but each year a new class must make the adjustment. High school presented new courses, new teachers, and new schedules all at once; and the freshmen had to try to fit in to the new surroundings.

Although the first year is the hardest; the traditional beginning is over, and it's time to turn attention to the sophomore year.

The sophomore year will be focused on preparing for the Junior/Senior prom and the purchasing of class rings.

The year 1982 closed leaving the freshmen with their first year of high school memories. Although the frosh may not agree, they are the luckiest class at Morton since the freshmen have three years remaining on what will someday be referred to as "The good old days."

*Everyone at one time or another has sold or tried to sell something. One knows that courtesy, patients, and pleasantness are all a must.*

*If one attempts to sell by telephone, a pleasing voice is required. If one attempts to sell in person, good grooming is essential. Also, advertising the product plays a major part of the actual success of selling the product.*

*In advertisements catchy logos, prestigious people, and bright colors are used to capture the attention of the public eye. Advertising can be done in many ways: newspapers, radio, and neon signs. Advertising can even be done in a yearbook.*

*This section contains 30 pages of advertisements that the Top Hat staff sold to businesses and organizations. The advertising, in turn, paid for a portion of the total cost of the yearbook.*

## The Governor

I would truly like to express my gratitude to the 1983 Top Hat staff for making this edition of the yearbook such a success. Every staff member worked diligently to achieve the goal of an outstanding, on-time yearbook. I would also like to thank Mr. Scott Markley, our advisor, who earnestly worked with us to help us achieve our goal. Also, Mr. Bob Henning, our Josten's representative, for giving us his advice on what to do and what not to do, and Mr. Harry Duzik, of Bodie's Photographers, for the majority of the photographs in this year's book. Without all of this help, we would have never been able to convey the message of what we wanted our theme to be, "The Governor".

We chose the theme, "The Governor", because being a Governor will always be a part of our lives. As much as we anticipate graduation day, we'll all probably find ourselves in tears on that day. Why? Because it will probably be remembered as the best four years of our lives.

Think of all our fellow Governors: We have beauty, brainpower, athletes, actor, musicians, and hundreds of other great futures. But most of all, the Governor's have class. The Governor's are a classy group of young adults. They strive to be the best at all they attempt.

In view of all this, everyone of us should be proud to say, "I'm a Governor!"

The 1983 Top Hat contains 192 pages on 80 bound shadow-weave paper. The book is Smyth sewn and bound with rounded backed binding. The 825 copies of this book were published by Josten's American Yearbook Company, located in Clarksville, Tennessee. All copy is printed in 12 point and captions are in 10 point with the headlines varying in sizes from 18 point to 36 point. The copy and the headlines are in Times Roman Bold. The captions are in Times Roman Italics. The bulk of the photographs, plus the senior and underclass pictures, were taken by Bodie's Photographers. Staff photographers, Ed Harney and Jim Dills, also contributed in taking photographs for the book.
